SOHO

Fancy Drinks

“ I’ve been loving you a long time
Down all the years, down all the days
And I’ve cried for all your troubles
Smiled at your funny little ways. ”

Shane Macgowan
Rainy Night In Soho

Introduction

It’s the people that make the city, and nowhere is that truer than in Soho.

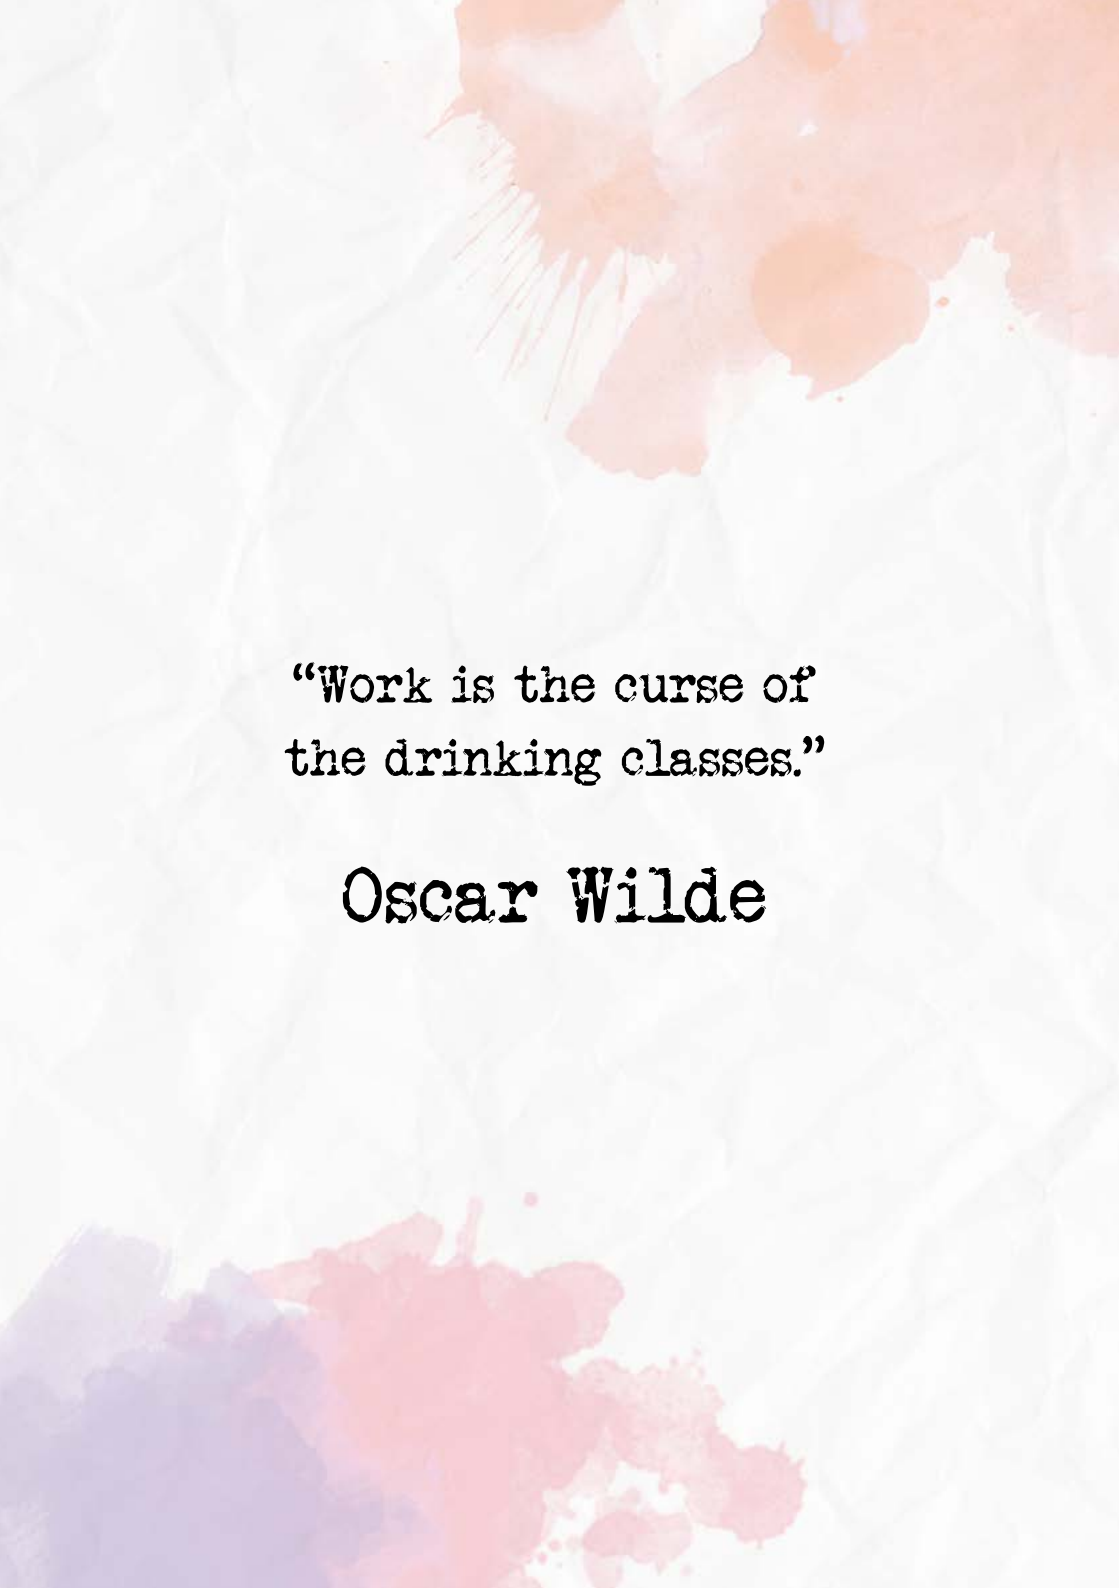

Known for characters, charmers, swindlers and lovers for over 200 years. This handful of crooked streets and shady alleys; beloved by princes, artists, poets, musician and harlots continues to delight and inspire us today.

As a tribute to Soho and those who have lived, worked, loved, lost and drank here over the years, we give to you our “Fancy Drinks”.

Sit back, relax and have a fancy time.

In the words of Oscar Wilde:

*Be yourself;
everyone else is already taken.*

The background of the page is a light, textured white surface, possibly crumpled paper. It is decorated with large, soft watercolor splashes. A prominent splash of orange and red is located in the upper right corner, while a splash of purple and red is in the lower left corner. The text is centered on the page.

**“Work is the curse of
the drinking classes.”**
